

# Do you own or live in a building built before 1980? IT MAY CONTAIN LEAD BASED PAINT.

**ASK YOURSELF**  
Does the paint have  
any damage?

## NO DAMAGE

Monitor for changes at least once every 2 years or once a year for window frames, door frames and skirting boards.

## MINOR DAMAGE

Cover the area by painting over with modern paint or ask a painting contractor for advice about possible encapsulant use. Monitor for changes once every 2 years or once a year for window frames, door frames and skirting boards.

## MAJOR DAMAGE

Remove as soon as possible by contacting a painting contractor. If you are renting, contact the property manager.

## UNSURE

Consult a painting contractor. They can inspect the surface and advise on next steps.
