OFFICIAL

2021-22 ANNUAL REPORT for the Gawler and District Health Advisory Council

To:

Hon Chris Picton MP

Minister for Health and Wellbeing

This annual report will be presented to Parliament to meet the statutory reporting requirements of *Public Sector Act 2009*, *the Public Finance and Audit Act 1987* and *the Health Care Act 2008* and the requirements of Premier and Cabinet Circular *PC013 Annual Reporting*.

This report is verified to be accurate for the purposes of annual reporting to the Parliament of South Australia.

Submitted on behalf of the Gawler and District Health Advisory Council by:

Kathy Crossing
Presiding Member

A handwritten signature in black ink, appearing to read 'Kathy Crossing', with a large, stylized flourish at the end.

Date: 28 July 2022

From the Presiding Member

During the 2021-22 year the Gawler and Districts Health Advisory Council (HAC) have been active in several consultations and planning processes.

The redevelopment of the Gawler Health Service emergency department has seen the Gawler HAC attending stakeholder consultations and design presentations. The Gawler emergency department has seen a steady increase in presentations, but the limited space has been a challenge to manage for patients and staff. The new emergency department is viewed as a very positive investment by the community.

There has been a transition of care in the Gawler emergency department from GP Inc, who have provided care for the past 15 years, to a public health model. The process of transition, while time pressured, was transparent and collaborative, with the care and experience of the patient in mind. The HAC will continue to monitor community experience and discuss the data and trends in presentations.

Over the past two years, the HAC has been consulting extensively with the community regarding the health issues that are most important to them, with accessible health care being a constant theme. A discussion paper outlining examples of the challenges and barriers to accessing health care was developed and sent to the Barossa Hills Fleurieu Local Health Network (BHFLHN) Governing Board, the local Member, and the Minister for Health and Wellbeing. The paper received acknowledgement of the issues and a desire to work with the HAC to explore the issues further.

HAC members participated in consultations and provided feedback on the BHFLHN Clinical Services plan and the consumer engagement strategy. Gawler HAC have also engaged in the consultations to develop the concept plan for the Barossa Hospital, developing an understanding of the impact or benefit to the Gawler Health Service.

The HAC endeavoured to maintain its monthly meeting process with a few exceptions due to ongoing COVID implications. Meetings were held online and face to face.

Other activities and planning to be undertaken by the Gawler HAC include:

- The HAC supported Gawler Better Care in the Community team by purchasing gym equipment to support the community.
- The HAC provided a Covid Thank You Afternoon Tea for all staff of Gawler Health Service, across morning and afternoon shifts, thanking them for their hard work during the Covid pandemic.

OFFICIAL

2021-22 ANNUAL REPORT for the Gawler and District Health Advisory Council

The HAC met its obligations regarding the Gift funds trust as required by the Australian Tax Office.

Strategies implemented to control and prevent fraud

Health Advisory Councils have specific functions and powers as defined in the *Health Care Act 2008* and the Constitution (for incorporated Health Advisory Councils or Rules (for non-incorporated Health Advisory Councils), including actions that cannot be undertaken without the approval of the Minister.

Health Advisory Councils are instrumentalities of the Crown and subject to relevant Department of Treasury and Finance Treasurers Instructions.

The Constitutions / Rules identify the actions to be undertaken in the event of a conflict of interest. All declared conflicts of interest are reported to the Minister for Health through Barossa Hills Fleurieu Local Health Network Inc.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE GAWLER DISTRICT HEALTH ADVISORY COUNCIL INC.

Report on the Financial Report

Audit Opinion

We have audited the accompanying financial report of Gawler District Health Advisory Council Inc. (the Health Advisory Council), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Gawler District Health Advisory Council Inc. presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Gawler District Health Advisory Council Inc. as at 30 June 2022 and the results of its operations and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Health Advisory Council's Responsibility for the Financial Report

The Health Advisory Council is responsible for the preparation of the financial report that presents fairly in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1 About Gawler District Health Advisory Council Inc (the Advisory Council)

The Advisory Council is a not-for-profit entity and was established as an incorporated advisory council under the *Health Care Act 2008* (the Act).

The financial statements include all controlled activities of the Advisory Council.

The Advisory Council does not control any other entity and has no interests in unconsolidated structured entities.

The Advisory Council is controlled by Barossa Hills Fleurieu Local Health Network Inc.

1.1 Objectives and activities

The Advisory Council is established to undertake an advocacy role on behalf of the community, to provide advice, and to perform other functions as determined under the Act.

The Advisory Council is established to:

- advise on the health service needs, priorities and issues within the Local Area with particular emphasis upon those issues in the context of consumers of health services, carers and volunteers
- ascertain the health needs of the Community and the attitude of the Community to the development of health services within the Community
- advocate on behalf of the Community to support the planning and provision of health services as part of an integrated statewide health system for the benefit of the Community
- hold assets for the benefit, purposes and use of, the Health Unit(s) on terms and conditions determined as approved by the Minister
- undertake such other activities as the Advisory Council may determine for the benefit or support of health services in the Local Area

The functions of the Advisory Council are to contribute significantly to the improved overall health status of all people by acting as an advocate and providing advice about the provision of health services, health issues, goals, priorities, plans and other strategic initiatives both inside and outside the Local Area.

1.2 Basis of preparation

These financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's Instructions and accounting policy statements issued by the Treasurer under the *Public Finance and Audit Act 1987*; and
- relevant Australian Accounting Standards applying simplified disclosures

These are the first financial statements prepared in accordance with Australian Accounting Standards - Simplified Disclosures. In the prior year, the financial statements were prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements.

There has been no impact on the recognition and measurement of amounts recognised in the statements of financial position, profit and loss and other comprehensive income and cash flows of the Advisory Council as a result of the change in the basis of preparation.

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000). The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

1.3 Equity

The Advisory Council uses the asset revaluation surplus to record increments and decrements in the fair value of land and buildings to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

1.4 Changes in accounting policy

The Advisory Council did not change any of its accounting policies during the year.

1.5 Impact of COVID-19 pandemic

The COVID-19 pandemic has not had a material impact on the operations of the Advisory Council and is not expected to do so in the future.

2 Resources received free of charge

Contribution of services are recognised only when a fair value can be determined reliably and the services would be purchased if they had not been donated.

The contribution of services recognised are for audit fees paid or payable \$3,000 (\$3,000) by Barossa Hills Fleurieu Local Health Network Inc for the audit of financial statements of the Advisory Council performed by Galpins Accountants Auditors and Business Consultants.

Although not recognised, the Advisory Council also receives various administrative services from Barossa Hills Fleurieu Local Health Network Inc for nil consideration.

3 Property, plant and equipment

3.1 Acquisition and recognition

Non-current assets are initially recorded on a cost basis, and subsequently measured at fair value. Where assets are acquired at no value, or minimal value, they are recorded at their fair value in the Statement of Financial Position. Where assets are acquired at no or nominal value as part of a restructure of administrative arrangements, the assets are recorded at the value held by the transferor public authority prior to the restructure.

The Advisory Council capitalises all non-current tangible assets that it controls valued at or greater than \$10,000.

3.2 Depreciation

All non-current assets, that have a limited useful life, are systematically depreciated over their useful lives in a manner that reflects the consumption of their service potential.

The useful lives and depreciation methods of all major assets held by the Advisory Council are reviewed and adjusted as appropriate on an annual basis. Changes in expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the time period or method, as appropriate.

Land and non-current assets held for sale are not depreciated.

Depreciation is calculated on a straight line basis over the estimated or revised remaining useful life of the following classes of assets as follows:

<u>Class of asset</u>	<u>Useful life (years)</u>
Buildings and improvements	40 - 80
Site improvements	40 - 80

3.3 Revaluation

All non-current tangible assets are valued at fair value after allowing for accumulated depreciation (written down current cost).

The Advisory Council revalues all land, buildings and site improvements on a regular cycle via a Certified Practicing Valuer.

If at any time, management considers that the carrying amount of an asset greater than \$1 million materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

Non-current tangible assets that are acquired between revaluations are held at cost, until the next valuation, when they are revalued to fair value.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

Upon disposal or derecognition, any asset revaluation surplus relating to that asset is transferred to retained earnings.

GAWLER DISTRICT HEALTH ADVISORY COUNCIL INC
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2022

3.4 Impairment

The Advisory Council holds its property assets for their service potential (value in use). Specialised assets would rarely be sold and typically any costs of disposal would be negligible, accordingly the recoverable amount will be closer to or greater than fair value. Where there is an indication of impairment, the recoverable amount is estimated. For revalued assets, fair value is assessed each year.

There were no indications of impairment of property and infrastructure as at 30 June 2022.

3.5 Valuation of land and buildings

An independent valuation of land and buildings, including site improvements, was performed in March 2018 by a Certified Practising Valuer from AssetVal (JLT) Pty Ltd, as at 1 June 2018.

Fair value of unrestricted land was determined using the market approach. The valuation was based on recent market transactions for similar land and buildings (non-specialised) in the area and includes adjustment for factors specific to the land and buildings being valued such as size, location and current use.

Fair value of specific land and buildings was determined using depreciated replacement cost, due to there not being an active market for such land and buildings. The depreciated replacement cost considered the need for ongoing provision of government services; specialised nature of the assets, including the restricted use of the assets; the size, condition, location. The valuation was based on a combination of internal records, specialised knowledge and acquisition/transfer costs.

4 Reconciliation of property, plant and equipment

The following table shows the movement:

2021-22	Land	Buildings	Total
	\$'000	\$'000	\$'000
Carrying amount at the beginning of the period	1,290	257	1,547
Depreciation	-	(21)	(21)
Carrying amount at the end of the period	1,290	236	1,526
Gross carrying amount			
Gross carrying amount	1,290	321	1,611
Accumulated depreciation	-	(85)	(85)
Carrying amount at the end of the period	1,290	236	1,526

5 Contingent assets and liabilities

Contingent assets and contingent liabilities are not recognised in the Statement of Financial Position, but are disclosed within this note and, if quantifiable are measured at nominal value. The Advisory Council is not aware of any contingent assets and liabilities. In addition, the Advisory Council has made no guarantees.

6 Key Management Personnel

Key management personnel of the Advisory Council include the Minister, the Chief Executive of the Department for Health and Wellbeing, board members and the Chief Executive Officer of Barossa Hills Fleurieu Local Health Network Inc and the members of the Advisory Council.

The Advisory Council did not enter into any transactions with key management personnel or their close family during the reporting period that were not consistent with normal procurement arrangements.

7 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the Premier and Cabinet Circular No 016, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE GAWLER DISTRICT HEALTH ADVISORY COUNCIL INC. GIFT FUND TRUST

Report on the Financial Report

We have audited the accompanying financial report of Gawler District Health Advisory Council Inc. Gift Fund Trust (the Gift Fund Trust), which comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Gawler District Health Advisory Council Inc. Gift Fund Trust presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Gawler District Health Advisory Council Inc. Gift Fund Trust as at 30 June 2022 and the results of its operations and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Health Advisory Council's Responsibility for the Financial Report

The Gift Fund Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GAWLER DISTRICT HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2022

1 About Gawler District Health Advisory Council Inc Gift Fund Trust (the Trust)

The Trust is a not-for-profit entity and was established by virtue of a deed executed between the Department for Health and Wellbeing and Gawler District Health Advisory Council Inc (the Trustee).

The financial statements include all controlled activities of the Trust.

The Trust does not control any other entity and has no interests in unconsolidated structured entities.

The Trust is controlled by Barossa Hills Fleurieu Local Health Network Inc.

1.1 Objectives and activities

The Trust is a public ancillary fund and has been endorsed by the Australian Taxation Office as a Deductible Gift Recipient (DGR).

The Trust is established to:

- seek, collect and administer donations and bequests, to be used for the benefit of the local area health services that are DGRs
- undertake fundraising activities, the proceeds from which are to be used for the benefit of the local area health services that are DGRs

1.2 Basis of preparation

These financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's Instructions and accounting policy statements issued by the Treasurer under the *Public Finance and Audit Act 1987*; and
- relevant Australian Accounting Standards applying simplified disclosures

These are the first financial statements prepared in accordance with Australian Accounting Standards - Simplified Disclosures. In the prior year, the financial statements were prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements.

There has been no impact on the recognition and measurement of amounts recognised in the statements of financial position, profit and loss and other comprehensive income and cash flows of the Trust as a result of the change in the basis of preparation.

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000). The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

Cash flows include GST in the Statement of Cash Flows.

Assets and liabilities that are to be sold, consumed or realised as part of the normal operating cycle have been classified as current assets or current liabilities. All other assets and liabilities are classified as non-current.

1.3 Changes in accounting policy

The Trust did not change any of its accounting policies during the year.

1.4 Impact of COVID-19 pandemic

The COVID-19 pandemic has not had a material impact on the operations of the Trust and is not expected to do so in the future.

GAWLER DISTRICT HEALTH ADVISORY COUNCIL INC GIFT FUND TRUST
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
For the year ended 30 June 2022

2 Resources received free of charge

Contribution of services are recognised only when a fair value can be determined reliably and the services would be purchased if they had not been donated.

The contribution of services recognised are for audit fees paid or payable \$1,000 (\$1,000) by Barossa Hills Fleurieu Local Health Network Inc for the audit of financial statements and compliance with the *Taxation Administration (Public Ancillary Fund) Guidelines 2022* of the Trust performed by Galpins Accountants Auditors and Business Consultants.

Although not recognised, the Trust also receives various administrative services from Barossa Hills Fleurieu Local Health Network Inc for nil consideration.

3 Contingent assets and liabilities

Contingent assets and contingent liabilities are not recognised in the Statement of Financial Position, but are disclosed within this note and, if quantifiable are measured at nominal value. The Trust is not aware of any contingent assets and liabilities. In addition, the Trust has made no guarantees.

4 Financial instruments / financial risk management

4.1 Financial risk management

The Trust's exposure to financial risk (liquidity risk, credit risk and market risk) is low due to the nature of the financial instruments held and the current assessment of risk.

4.2 Categorisation of financial instruments

All financial instruments are measured at amortised costs. Total financial assets of \$83,000 (\$86,000) consist of cash and cash equivalents \$16,000 (\$19,000) and term deposits \$67,000 (\$67,000).

The contractual maturities of all financial instruments are expected to be within one year.

5 Key Management Personnel

Key management personnel of the Trust include the Minister, the Chief Executive of the Department for Health and Wellbeing, board members and the Chief Executive Officer of Barossa Hills Fleurieu Local Health Network Inc and the members of Gawler District Health Advisory Council Inc.

The Trust did not enter into any transactions with key management personnel or their close family during the reporting period that were not consistent with normal procurement arrangements.

6 Remuneration of Council members

The total remuneration received or receivable by members was nil. In accordance with the Premier and Cabinet Circular No 016, government employees did not receive any remuneration for council member duties during the financial year. Unless otherwise disclosed, transactions between members are on conditions no more favourable than those that it is reasonable to expect the entity would have adopted if dealing with the related party at arm's length in the same circumstances.
