Data source: ISAAC Inpatient (Central Data Warehouse)

Note: The definition for this measure has changed to align with the goals of Transforming Health. The measure is overnight patients calculating their length of stay in hours in hospital.

Note: Bed days calculated for patients who have been discharged from hospital

Note: Figures are subject to change

Note: Blank cells indicate no activity for hospital in period, NA indicates data is not available for reporting

¹ Pregnancy Outcomes Unit (0035) is excluded

Note: Due to closure, Woomera Hospital is no longer included in this report
