South Australian annual coverage data for Aboriginal children in 2023/2024

The data provided is annualised for 1 year old (12 to less than 15 months), 2 year old (24 to less than 27 months), and 5 year old (60 to less than 63 months) cohorts using the AIR June 2023, September 2023, December 2023 and March 2024 assessment quarters. Where there are less than 10 children in a Local Government Area (LGA) the data are not given. As a result not all LGA's are listed.
