

# Integrated Care - CALHN

## Medical officers profiles

### **Dr Mike Adams**

#### **General Practitioners (MBBS, FRACGP)**

Dr Adams has a Bachelor of Medicine and Bachelor of Surgery (MBBS) and is a fellow of The Royal Australian College of General Practitioners (FRACGP). He previously worked in clinical trials and research. He has an excellent sense of humour and is always willing to take part in the service's social events. Dr Adams has a special interest in providing care to disadvantaged patient cohorts who have complex needs. He is an approved medication assisted treatment for opioid dependence (MATOD) prescriber.

### **Dr Jyothi Bhumireddy**

#### **General Practitioner (MBBS, FRACGP)**

Dr Bhumireddy holds a Bachelor of Medicine and Bachelor of Surgery (MBBS), is a fellow of The Royal Australian College of General Practitioners (FRACGP) and has a Diploma of Child Health. Dr Bhumireddy speaks English and Telugu. Her interests include paediatrics, palliative care and obstetric shared care.

### **Dr Eleanor (Ellie) Daniel**

#### **General Practitioner (MBBS, FRACGP)**

Dr Daniel works at the Hospital Avoidance and Supported Discharge Service as well as in Maitland on Yorke Peninsula. She graduated with a Bachelor of Medicine/Bachelor of Surgery from James Cook University. She is a fellow of The Royal Australian College of General Practitioners (FRACGP) and a Diploma of Child health. Her interests are women's health, children's health and emergency medicine. Dr Daniel is easily identified by her delightful candy pink stethoscope. She is well known for her ability to remain calm under pressure and compassionate patient care.

### **Dr Vi Duong**

#### **Senior Medical Practitioner (MBBS)**

Dr Duong graduated from Flinders University in 1996. He is particularly interested in skin care medicine, sports medicine/musculoskeletal medicine, focused psychological strategies and emergency medicine. In his spare time, Dr Duong enjoys keeping fit by playing volleyball, dragon boat racing, yoga and meditation.

### **Dr Nicholas Farinola**

#### **Clinical Pharmacologist and General Physician (BMBS, BSc. (Biomed. Sci.), FRACP)**

Dr Farinola is a Clinical Pharmacologist and General Physician. He is the Medical Head of Unit for Integrated Care and also works at CMAX Clinical Research. Dr Farinola is fluent in Italian and has an impressive list of publications. Dr Farinola continues to be instrumental in developing new pathways and models of care for hospital avoidance and COVID care.

**Dr Lyall Henderson**  
**General Practitioner (MBBS, Clin Dip Pall Med, FRACGP)**

Dr Henderson graduated from The University of Adelaide in 2014 with a Bachelor of Medicine and Surgery (MBBS). He also has a Diploma in Skin Cancer Medicine from the University of Queensland. Dr Henderson is a fellow of The Royal Australian College of General Practitioners (RACGP). He has a special interest in procedural medicine.

**Dr Lane Hinchcliffe**  
**General Practitioner (MBBS, FRACGP)**

Dr Hinchcliffe is a composer, playwright, performer and General Practitioner. He graduated with a Bachelor of Medicine and Surgery (MBBS) in 2007, is a fellow of The Royal Australian College of General Practitioners (FRACGP) and has worked extensively throughout regional and metropolitan South Australia. Dr Hinchcliffe has a passion for community medicine and providing new and sustainable solutions for communities in need.

He established a not for profit organisation in 2018 with a mission to improve access to GP services for vulnerable communities including Aboriginal and Torres Strait Islander People, teenagers and adolescents, individuals suffering with mental health issues and people affected by homelessness.

**Dr Belinda Jennings**  
**General Practitioner (MBBS, FRACGP)**

Dr Jennings graduated with a Bachelor of Medicine and Surgery (MBBS) in 2011, before qualifying as a General Practitioner in early 2020. She is a fellow of The Royal Australian College of General Practitioners (FRACGP). She has a special interest in bariatric (weight loss) medicine and managing adults with diagnosed attention deficit hyperactivity disorder. Dr Jennings enjoys swimming, reading crime novels and going out to new restaurants.

**Dr Cicy Li**  
**General Practitioner (MBBS, Clin Dip Pall Med, FRACGP)**

Dr Li holds a Bachelor of Medicine and Surgery (MBBS). She is a fellow of The Royal Australian College of General Practitioners (FRACGP). Dr Li has undertaken a Masters of Public Health and has a keen interest in Indigenous Health. Dr Li believes in preventative medicine and enjoys chronic disease management and palliative care. Medical education is also on her agenda as she wishes to be involved in training the next generation of doctors.

**Dr James Richards**  
**General Practitioner (MBBS, FRACGP, Diploma Aesthetic Medicine)**

Dr Richards graduated from the University of Manipal India with a Bachelor of Medicine and Surgery (MBBS). He was accredited by The Royal Australian College of General Practitioners (FRACGP) in 2014. Dr Richards speaks Malay, Tamil and English and has a special interest in Men's Health and Skin Clinics.

## OFFICIAL

### **Dr Hema Shankar** **General Practitioner (MBBS, FRACGP, MA)**

Dr Shankar graduated from Flinders University with a Bachelor of Medicine / Bachelor of Surgery (MBBS) in 2002. She worked in ICU and ED for many years before deciding to join General Practice and completed her fellowship in General Practice in 2012. Dr Shankar has worked in a variety of settings – in private practice and in the public system, in rural and remote settings all over Australia and she has done a stint with Doctors' Without Borders. Her special interest is in Acute and Ambulatory medicine and in preventive health and research.

### **Dr Muazzam Rifat** **General Practitioner (MBBS, FRACGP)**

Dr. Rifat graduated in 2008 from Allama Iqbal Medical College in Pakistan. He has completed a Diploma in Child Health from Westmead. Prior to joining general practice, Dr Rifat worked at Modbury Hospital, the Royal Adelaide Hospital, and Lyell McEwin Hospital. He has a special interest in developmental paediatrics and childhood disabilities, chronic diseases, mental health and skin checks. He can speak Urdu and Punjabi.
