### Overview: about the agency

### Our strategic focus

Our Purpose	The Bordertown and District Health Advisory Council Inc (BDHAC) was established by the then Minister for Health and Ageing to undertake an advocacy role on behalf of the community and to provide advice in relation to health matters, amongst other functions.  The constitution is available at <a href="https://www.sahealth.sa.gov.au/HealthAdvisoryCouncilBordertown">www.sahealth.sa.gov.au/HealthAdvisoryCouncilBordertown</a>
Our Vision	Not applicable
Our Values	Not applicable
Our functions, objectives and deliverables	A major role of the Bordertown and Districts Health Advisory Council Inc is to relay ideas and views from the community to the local health service. These ideas are used in planning for new and improved services.

### Our organisational structure

Membership of the Health Advisory Council can include:

- Up to eight community members
- Nominee of Local Government
- A local Member of Parliament or their nominee
- A medical practitioner member
- A Health Unit employee of the Bordertown Memorial Hospital site of Limestone Coast Local Health Network Inc.

A list of current members is available at:

www.sahealth.sa.gov.au/HealthAdvisoryCouncils/Bordertown

### Changes to the agency

During 2022-23 there were no changes to the agency's structure and objectives as a result of internal reviews or machinery of government changes.

### **Our Minister**

The Hon Chris Picton MP is the Minister for Health and Wellbeing in South Australia.

The Minister oversees health, wellbeing, mental health, ageing well, substance use and suicide prevention.

NB: Fraud reported includes actual and reasonably suspected incidents of fraud.

### Strategies implemented to control and prevent fraud

Health Advisory Councils have specific functions and powers as defined in the *Health Care Act 2008* and the Constitution (for incorporated Health Advisory Councils or Rules (for non incorporated Health Advisory Councils), including actions that cannot be undertaken without the approval of the Minister.

Health Advisory Councils are instrumentalities of the Crown and subject to relevant Department of Treasury and Finance Treasurers Instructions.

The Constitutions / Rules identify the actions to be undertaken in the event of a conflict of interest. All declared conflicts of interest are reported to the Minister for Health through X Local Health Network Inc.

Data for previous years is available at:

https://data.sa.gov.au/data/dataset/limestone-coast-local-health-network-lclhn

### **Public interest disclosure**

Number of occasions on which public interest information has been disclosed to a responsible officer of the agency under the *Public Interest Disclosure Act 2018*:

Nil

Data for previous years is available at:

https://data.sa.gov.au/data/dataset/limestone-coast-local-health-network-lclhn

Note: Disclosure of public interest information was previously reported under the *Whistle-blowers Protection Act 1993* and repealed by the *Public Interest Disclosure Act 2018* on 1/7/2019.

### Reporting required under any other act or regulation

Act or Regulation	Requirement
Health Care Act 2008	Part 4 Health Advisory Councils, Division 2 Functions and Powers, 18 Functions

The Bordertown and District Health Advisory Council Inc (BDHAC) acts as an advocate to promote the interests of the community. During the year, activities have included the following:

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BORDERTOWN AND DISTRICT HEALTH ADVISORY COUNCIL INC.

### **Report on the Financial Report**

### **Audit Opinion**

We have audited the accompanying financial report of Bordertown and District Health Advisory Council Inc. (the Health Advisory Council), which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Bordertown and District Health Advisory Council Inc. presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Bordertown and District Health Advisory Council Inc. as at 30 June 2023 and the results of its operations and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Health Advisory Council's Responsibility for the Financial Report

The Health Advisory Council is responsible for the preparation of the financial report that presents fairly in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

### Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## BORDERTOWN AND DISTRICT HEALTH ADVISORY COUNCIL INC NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS For the year ended3 0 June 2023

### 1 About Bordertown and District Health Advisory Council Inc (the Advisory Council)

The Advisory Council is a not-for-profit entity and was established as an inco porated advisory council unde the *Health Care Act 2008* (the Act).

The financial statements include all controlled activities of the Advisory Council.

The Advisory Council does not control any othe entity and has no interests in unconsolidated structu ed entities.

The Advisory Council is controlled by Limestone Coast Local Health Network Inc.

#### 1.1 Objectives and activities

The Advisory Council is established to undertake an advocacy role on behalf of the community, to provide advice, and to perform othe functions as determined under the Act.

The Advisory Council is established to:

- advise on the health service needs, priorities and issues both within and from outside the Local Area with particula emphasis upon those issues in the context of consumers of health services, carers and volunteers
- ascertain the health needs of the Community and the attitude of the Community to the development of health services within the Community
- advocate on behalf of the Community to support the planning and provision of health services as part of an integrated statewide health system fo the benefit of the Community
- hold assets fo the benefit, pu poses and use of, the Health Unit(s) on terms and conditions determined as approved by the Ministe
- undertake such othe activities as the Advisory Council may determine fo the benefit o support of health services in the Local Area

The functions of the Advisory Council are to contribute significantly to the improved overall health status of all people by acting as an advocate and providing advice about the provision of health services, health issues, goals, priorities, plans and othe strategic initiatives both inside and outside the Local Area.

### 1.2 Basis of preparation

These financial statements are general pu pose financial statements prepared in compliance with:

- section 23 of the Public Finance and Audit Act 1987;
- Treasurer's Instructions and accounting policy statements issued by the Treasure unde the *Public Finance and Audit Act* 1987; and
- relevant Australian Accounting Standards applying simplified disclosures

The financial statements have been prepared based on a 12 month period and presented in Australian currency. All amounts in the financial statements and accompanying notes have been ounded to the nearest thousand dollars (\$'000). The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Income, expenses and assets are recognised net of the amount of GST except:

• when the GST incurred on a purchase of goods o services is not recoverable from the Australian Taxation Office (ATO), in

which case the GST is recognised as part of the cost of acquisition of the asset o as part of the expense item applicable; and

• receivables and payables, which are stated with the amount of GST included.

Cash flows include GST in the Statement of Cash Flows.

Assets and liabilities that are to be sold, consumed o realised as part of the normal operating cycle have been classified as current assets o current liabilities. All othe assets and liabilities are classified as non-current.

### 1.3 Equity

The Advisory Council uses the asset revaluation su plus to ecord increments and decrements in the fai value of land and buildings to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

### 1.4 Changes in accounting policy

The Advisory Council did not change any of its accounting policies during the year.

### 2 Resources received free of charge

	2023	2022
	\$'000	\$'000
Land and buildings	492	-
Services	3	3
Total resources received free of charge	495	

During 2022-23 completed capital works at the Bordertown Health Service were transferred to the Advisory Council from Limestone Coast Local Health Network Inc fo nil consideration.

Contribution of services are recognised only when a fai value can be determined reliably and the services would be purchased if they had not been donated.

The contribution of services recognised are fo audit fees paid o payable by Limestone Coast Local Health Network Inc fo the audit of financial statements of the Advisory Council performed by Galpins Accountants Auditors and Business Consultants.

Although not recognised, the Advisory Council also receives various administrative services from Limestone Coast Local Health Network Inc fo nil consideration.

### Property, plant and equipment

#### .1 Acquisition and recognition

Non-current assets are initially recorded on a cost basis, and subsequently measured at fai value. Where assets are acquired at no value, o minimal value, they are recorded at their fai value in the Statement of Financial Position. Where assets are acquired at no o nominal value as part of a restructure of administrative arrangements, the assets are recorded at the value held by the transfero public authority prior to the restructure.

The Advisory Council capitalises all non-current tangible assets that it controls valued at o greater than \$10,000.

### .2 Depreciation

All non-current assets, that have a limited useful life, are systematically depreciated ove thei useful lives in a manne that reflects the consumption of their service potential.

The useful lives and depreciation methods of all majo assets held by the Advisory Council are reviewed and adjusted as appropriate on an annual basis. Changes in expected useful life o the expected pattern of consumption of future economic benefits embodied in the asset are accounted fo p ospectively by changing the time period o method, as appropriate.

Land and non-current assets held fo sale are not depreciated.

Depreciation is calculated on a straight line basis ove the estimated o revised remaining useful life of the following classes of assets as follows:

<u>Class of asset</u>	<u>Useful life (years)</u>
Buildings and improvements	40 - 80
Site improvements	40 - 80

### .3 Revaluation

All non-current tangible assets are valued at fair value afte allowing fo accumulated depreciation (written down current cost).

The Advisory Council revalues all land, buildings and site improvements on a regula cycle via a Certified Practicing Valuer.

If at any time, management considers that the carrying amount of an asset greate than \$1 million materially differs from its fai value, then the asset will be revalued regardless of when the last valuation took place.

Non-current tangible assets that are acquired between revaluations are held at cost, until the next valuation, when they are revalued to fai value.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

Upon disposal o derecognition, any asset revaluation su plus relating to that asset is transferred to retained earnings.

#### .4 Impairment

The Advisory Council holds its property assets fo thei se vice potential (value in use). Specialised assets would ra ely be sold and typically any costs of disposal would be negligible, accordingly the recoverable amount will be close to o greate than fai value. Where there is an indication of impairment, the recoverable amount is estimated. Fo revalued assets, fai value is assessed each year.

There were no indications of impairment of property and infrastructure as at 30 June 2023.

### .5 Valuation of land and buildings

An independent valuation of land and buildings, including site improvements, was performed in March 2018 by a Certified Practicing Value from AssetVal (JLT) Pty Ltd, as at 1 June 2018.

Fai value of unrestricted land was determined using the maket approach. The valuation was based on recent market transactions fo simila land and buildings (non-specialised) in the area and includes adjustment fo factors specific to the land and buildings being valued such as size, location and current use.

Fai value of specific land and buildings was determined using depreciated replacement cost, due to there not being an active market fo such land and buildings. The depreciated replacement cost considered the need fo ongoing provision of gove nment services; specialised nature of the assets, including the estricted use of the assets; the size, condition, location. The valuation was based on a combination of internal records, specialised knowledge and acquisition/transfe costs.

### 4 Reconciliation of property, plant and equipment

The following table shows the movement:

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE

### BORDERTOWN AND DISTRICT HEALTH ADVISORY COUNCIL INC. GIFT FUND TRUST

### **Report on the Financial Report**

We have audited the accompanying financial report of Bordertown and District Health Advisory Council Inc. Gift Fund Trust (the Gift Fund Trust), which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising summary of significant accounting policies and other explanatory information, and the statement by the presiding member and operational finance manager.

In our opinion, the financial report of Bordertown and District Health Advisory Council Inc. Gift Fund Trust presents fairly in accordance with Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, the Health Care Act 2008, applicable Accounting Standards and other mandatory professional reporting requirements in Australia, the financial position of Bordertown and District Health Advisory Council Inc. Gift Fund Trust as at 30 June 2023 and the results of its operations and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Health Advisory Council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia, and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Health Advisory Council's Responsibility for the Financial Report

The Gift Fund Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Health Care Act 2008, Treasurer's Instructions promulgated under the provisions of the Public Finance and Audit Act 1987, Department of Health Accounting Policies, applicable Accounting Standards and other mandatory professional reporting requirements in Australia. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

### Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
  the Health Advisory Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Health Advisory Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
