# WEDNESDAY 18 SEPTEMBER 2024

## – ROOM 5E305 COLLABORATIVE TEACHING SPACE, LEVEL 5 FLINDERS MEDICAL CENTRE

9:00am – 12:00pm	<p><b>"From SPHERE to here: building clinical research careers and capacity"</b>  <b>SALHN &amp; FLINDERS UNIVERSITY NURSING AND MIDWIFERY RESEARCH SYMPOSIUM</b></p> <p><b>Keynote:</b>  <b>"Nursing and midwifery clinician researcher careers, why and how!"</b>  <b>Professor Sandy Middleton</b> – Professor of Nursing and Director, Nursing Research Institute, St Vincent's Health Network Sydney, St Vincent's Hospital Melbourne and Australian Catholic University</p> <p><b>Presentations:</b>  <b>"Researching our practice: In-house support for nursing and midwifery at SALHN"</b>  <b>Professor Tiffany Conroy</b> – Deputy Dean, Nursing Leadership and Innovation, Flinders University, Professor of Nursing and Director of Nursing and Midwifery Research, SALHN  <b>"Inspiring Through Education to Drive Nursing &amp; Midwifery Innovation and Research in SALHN"</b>  <b>Ben Lockwood</b> – Nursing Director, CNMER</p> <p><b>Abstract presentations:</b>  <b>Dr Carly Moores</b> – Senior Project Manager, Corporate Nursing &amp; Midwifery  <b>"Exploring patient oral health care at SALHN and identifying opportunities for improvement"</b>  <b>Joanne McIntyre</b> – Nurse Consultant, ICU Research Coordinator; Medicine, Cardiac and Critical Care  <b>"Nurses' experiences and perceptions of clinical research: a mixed methods systematic review"</b>  <b>Ashish Badanapurkar</b> – Nurse Educator (SALHN-Mental Health)  <b>"Development and Implementation of Skill Matrix and Competency development Framework for Post Graduate Diploma Mental Health Nurses - A Process Evaluation Approach"</b></p>
12:00pm – 2:30pm	Lunch (provided) and Poster Presentations
	<p><b>Jaye Phillips and Jacalyn McDonald</b> – Nurse Educator, Corporate Services  <b>"How does implementing a clinical support program for early to mid-career nurses impact their confidence in acquiring and understanding fundamental skills, and core nursing concepts and themes?"</b>  <b>Ms Zita Splawinski</b> – Senior Planning Officer, Corporate Services  <b>"Charting Health Horizons: Insights from Southern Adelaide's Local Area Needs Assessment."</b>  <b>Christy Pirone</b> – Senior Project Officer, Nursing &amp; Midwifery, SALHN Patient Safety Culture Survey  <b>Ms Wendy Giles</b> – Clinical Nurse/Nurse Consultant, Rehabilitation, Aged Care and Palliative Care  <b>"Are we missing something? Exploring opportunities to improve long term health outcomes for patients in residential restorative care."</b>  <b>Dr Tamina Levy</b> – Advanced Practitioner Neurological Rehabilitation, Rehabilitation, Aged Care and Palliative Care  <b>"Codesigning the 'Adherence Counselling Toolkit' (ACT now) to promote recovery after stroke: knowledge, attitudes and needs of stroke survivors, carers, and health professionals regarding exercise adherence."</b></p>
12:30pm – 2:00pm	<p><b>STARTING, AND MOVING FORWARDS: PREVALENCE AND INSIGHTS INTO DOMESTIC AND FAMILY VIOLENCE AND HOW WE ALL NEED TO GET INVOLVED</b></p> <p><b>Chairs:</b>  <b>Michael Fordham</b> – Interim Executive Director Aboriginal Health, Deputy Director SALHN Nursing, Midwifery and Patient Services  <b>Dr Charmaine Gray</b> – Paediatric Emergency Physician, Flinders Medical Centre, Director of Research, Flinders Emergency Department</p> <p><b>Keynote:</b>  <b>Professor Sarah Wendt</b> – Professor of Social Work at Melbourne University, and Chief Investigator in the Centre for Excellence for The Elimination of Violence Against Women, Director of the Social Worker Registration Scheme, Department for Child Protection</p> <p><b>Panel session:</b>  <b>Debbie McCarthy</b> – Team Leader, Social Work, Emergency Department, SALHN  <b>Craig Rigney</b> – CEO, KWY Aboriginal Corporation  <b>Dr Justine Whitham</b> – Senior Clinical Practitioner – Clinical Psychologist, Child Safety &amp; Wellbeing Health Service (CSWHS), SALHN  <b>SAPOL</b></p>
2:00pm – 2:30pm	Afternoon Tea (provided) and Poster Presentations
	<p><b>Miss Vanessa Romeo</b> – Research Officer, Mental Health  <b>"The TINA Trial: Progress of a phase 3 randomised placebo-controlled trial of mirtazapine as a pharmacotherapy for methamphetamine ('ice') dependence"</b>  <b>Dr Joanne Eng-Frost</b> – Cardiologist, Medicine, Cardiac and Critical Care  <b>"Association between left ventricular outflow tract velocity time integral, ejection fraction, and mortality in an undifferentiated cohort of hospitalised patients"</b>  <b>"Morbidity and Mortality in Heart Failure: Comparing Preserved, Mildly Reduced, and Reduced Ejection Fractions"</b>  <b>"Morbidity and Mortality in Heart Failure with Preserved Ejection Fraction: Do Natriuretic Peptide Levels Matter?"</b>  <b>Dr Sara Tommasi</b> – Medical Scientist, Medicine, Cardiac and Critical Care  <b>"Discovery of novel inhibitors of dimethylarginine dimethylaminohydrolase 1 (DDAH1) for the treatment of affective disorders"</b></p>
2:30pm – 3:00pm	<p><b>INCRETIN THERAPIES, FROM THE GILA MONSTER TO OZEMPIC AND BEYOND – A TALE OF SWEETNESS, WEIGHT, HEART AND MORE!</b></p> <p><b>Chair:</b>  <b>Dr Nadia Wise</b> – Clinical Director, Surgery and Perioperative Medicine, SALHN</p> <p><b>Professor Stephen Stranks</b> – Senior Staff Specialist and Director, Bone Density Unit and Clinical Trials Southern Adelaide Diabetes and Endocrine Services (SADES), Professor of Medicine, Flinders University.</p>
3:00pm – 3:30pm	<p><b>RAPID FIRE: Free Paper Presentations</b></p> <p><b>Chair:</b>  <b>Professor Jonathan Gleadle</b> – Professor of Medicine, Flinders University and Senior Consultant SALHN</p> <p>3:05pm: <b>Dr Sara Tommasi</b> – Medical Scientist, Medicine, Cardiac and Critical Care  <b>"Methotrexate, blood pressure and arterial function in rheumatoid arthritis: a randomized controlled investigator-initiated trial"</b></p> <p>3:10pm: <b>Dr Peter Allcroft</b> – Staff Specialist, Rehabilitation, Aged Care and Palliative Care  <b>"Does the Kansas City Cardiomyopathy Questionnaire identify people with heart failure who have unmet palliative care needs?"</b></p> <p>3:20pm: <b>Dr Amelia Searle</b> – Data Manager/Research Scientist, Surgery and Perioperative Medicine  <b>"Does a movement-based self-management program improve outcomes for people with chronic low back pain following their lumbar facet procedures? A pilot randomised controlled trial"</b></p> <p>3:25pm: <b>Xia Jin</b> – Nurse Consultant, Medicine, Cardiac and Critical Care  <b>"The EFFICIENCY Study: Evaluating the effectiveness of FMC's SOC Initiative on ICU patient discharges and patient outcomes"</b></p>
3:30pm – 4:00pm	<p><b>THE FUTURE OF HEALTHCARE: FLINDERS UNI MD PROGRAM - ADVANCED STUDIES STUDENT PRESENTATIONS</b></p> <p><b>Chair:</b>  <b>Dr Diana Lawrence</b> – Executive Director, Medical Services, SALHN</p> <p>03:35pm: <b>James Fowler</b>  <b>"Chilled vs Room Temperature Saline for Coblation Intracapsular Tonsillectomy. A Randomised Control Trial"</b></p> <p>03:40pm: <b>Jessica Sullivan</b>  <b>"Induction of labour in singleton in vitro fertilisation pregnancies: A systematic review of maternal and perinatal outcomes"</b></p> <p>03:45pm: <b>Niamh Waters</b>  <b>"Prevalence and follow-up of post-operative anaemia in South Australian cardiac surgery patients"</b></p> <p>03:50pm: <b>Daniel Schultz Zaina</b>  <b>"An assessment of the diagnostic processes for glioma patients registered with the South Australian Neurological Tumour Bank (SANTB) and the effect of evolving WHO guidelines on treatment decisions and outcomes"</b></p> <p>03:55pm: <b>Elisabeth Maria Grande</b>  <b>"An argument for screening? Disordered eating patterns are highly prevalent in IBD"</b></p>
