

# Fact Sheet

## Transform, Inspire, Engage and Redesign (TIER) Nursing and Midwifery Leadership Essentials Program

### 2024 and 2025

#### What is the TIER Leadership Essentials Program?

The Transform, Inspire, Engage and Redesign (TIER) Nursing and Midwifery Leadership Essentials Program is a bespoke training program that builds middle level nursing and midwifery leadership capacity, enabling more effective leadership and management of people and business operations within workplaces.

The TIER Leadership Essentials Program is offered as part of the SA Health Nursing and Midwifery Office (NMO) Leadership Series, sponsored by the Chief Nurse and Midwifery Officer.

The NMO Leadership Series comprises 3 complementary programs:

- > Transform, Inspire and Engage (TIE) – for emerging nurse/midwife leaders (RN/M Level 2)
- > Transform, Inspire, Engage and Redesign (TIER) – for middle level nurse/midwife leaders (RN/M Level 3)
- > Transform, Inspire, Engage and Redesign Systems (TIERS) – for senior nurse/midwife leaders (RN/M Levels 4-6)

As an accelerated leadership development opportunity, the TIER Leadership Essentials Program comprises nine (9) sessions over three (3) months, delivered via a blend of in person and online sessions to up to twenty-six (26) participants per intake/cohort.

The TIER Leadership Essentials Program has been mapped to and supports the Department of Health and Wellbeing's Leadership and Management Capability Framework, focussing on the leadership domain. Design has been informed by evaluation outcomes of leadership development sessions offered as part of the TIER Leadership and Management Program (operational 2019-2022).

#### Who is eligible for the Program?

SA Health Registered Nurses and Midwives (RN/M) who:

- > hold a permanent position with a minimum ongoing contract of 32 hours per week (ie. 0.84 FTE) as RN/M Level 3 (Nurse/Midwife Unit Managers, Nurse/Midwife Educators, Nurse/Midwife After Hours/Hospital Coordinators, Nurse/Midwife Managers)
- > commit to attend all Program sessions, with an expected attendance rate of 100%

## Who is not eligible for the Program?

Nurses and midwives who:

- > are not SA Health employees
- > are not substantively employed in a RN/M Level 3 position as Nurse/Midwife Unit Manager, Nurse/Midwife Educator, Nurse/Midwife After Hours/Hospital Coordinator, Nurse/Midwife Manager etc
- > are temporary residents/visa holders
- > have conditions/undertakings or limitations on their registration
- > are employed less than 0.84 FTE
- > have previously undertaken the TIER Leadership and Management Program

## How do eligible nurses/midwives participate in the Program?

Local Health Network (LHN) Executive Directors of Nursing/Midwifery will be invited to nominate eligible nurses/midwives to participate in the Program, in consultation with their nursing/midwifery leadership teams. Each LHN has allocated places per intake/cohort.
